ABOUT GLORIA BOTELHO

Blogger | Digital Marketer | Radio Co-Host Graphic Design & Production | Community Engagement

A few years ago, Gloria gained a renewed interest in her Portuguese culture and began exploring the local Lusophone community. She could not find any information online as most events were shared by word of mouth. As a result, she saw a need to create a space on the Internet that was a one-stop-shop of information about the Portuguese community in Metro Vancouver.

Gloria founded Portugal in Vancouver in 2014 and since then, it has provided a number of opportunities for her such as a close working relationship with the Consul General of Portugal, a stint on RadioBC (a Portuguese radio show), and as a guest panel speaker at UBC's Museum of Anthropology for their panel discussion: "Portuguese Experiences in Canada."
